

# LAWYERS IN LOVE

By Tony Laumberg

## Early Bird Offer

*(Catch it while you can!)*

**Lawyers in Love**, which runs at the TAP Gallery, Darlinghurst from 4 May 2006 until 4 June 2006, promises to be Tony Laumberg's funniest show yet.

Two young lawyers, Felicity and Jeremy, are hopelessly in love and nothing can shake their faith in each other...except, of course, an endless array of well hidden family secrets.

All hell breaks loose as Jeremy meets Felicity's father for the first time just as his nutcase brother, Stanley, drops in unexpectedly through the window with his psychiatrist in tow. Will their love survive as one dark secret after another is revealed? Yes, it's Meet the Fockers meets Rain Man with a dash of One Flew Over the Cuckoo's Nest!
