

DAVID & GOLIATH IN REAL-LIFE LEGAL COMEDY THRILLER

***Erin Brockovich* meets *The Castle* in the newest comedy from Sydney's most prolific legal playwright.**

BONDI LEGAL by Tony Laumberg (My Fair Lawyer, Lawyers in Love, Two Weddings and a Lawyer, Lawyer Lawyer, Unsolicited Male) tells the true story of a teenage girl and her mother who take on the might of big business and win!

After her daughter's prized show pony is ravaged by a chemical company's grooming product, her feisty mother, Frances, sues the company seeking justice. They are forced to pin their hopes on a neurotic conveyancing solicitor, Brad Pitt (no relation), who's thrust into handling the hearing at the last moment without any litigation experience whatsoever. What follows is nail-biting, fish-out-of-water comedy thriller you will never forget!

How do our heroes take on the limitless resources of a corporate heavyweight and its formidable legal team and actually triumph? A clue – as a last resort, Frances - a life coach who dabbles in hypnotherapy - attempts to hypnotise the clueless Brad into believing he's the world's greatest lawyer. Does it work? Come see 'Tony's Pony Tale' and find out!

Writer/producer Tony Laumberg and director Richard Cotter team up for their 9th play in what promises to be the wildest and wackiest courtroom showdown ever witnessed.

This is an inspiring true story that proves beyond all reasonable doubt that it's never too late to realise your full potential and provide justice for all.
